

NAIOP Colorado Continues Support of 18th Annual BBK
By Morgan Landers, Brownfield Partners, LLC

Grab your running shoes, sunscreen, hats, and business cards and join fellow NAIOP members for the 18th Annual Brokers Benefiting Kids Field Day. For the past few years, NAIOP, its members and companies have supported Brokers Benefiting Kids and this year is just as important as last. Real estate is not the only suffering group in the economy right now. We know that things will get better and we need to be sure that the children of the Denver Metro area have the means to take positive advantage of that bright future!

There are multiple ways you can help! First and foremost, make a personal donation or ask your company to donate to the cause. Many companies have a long standing commitment to BBK and continue to do so during years of tight budgets. Remember, every little bit helps so go to www.bbkdener.com and make an online donation. Individuals and companies that donate are recognized in many different ways by BBK and Denver 20/30 so be sure to get your name out there for supporting such an amazing cause!

Second, come to the main event on August 22nd, at Inverness Business Park in Englewood. Be a participating member of the NAIOP team and get all the perks! Team participation is **FREE** and you will receive a t-shirt, free beverages and food, and the opportunity to network with hundreds of fellow real estate professionals while partaking in numerous recreational activities. Please email Morgan Landers at mlanders@brownfieldpartners.net for more information and to register for the NAIOP team.

Don't pass up this fun filled day of games, food, and fun!! Join NAIOP in supporting our children!!
