*What does the future look like for RTD and the redevelopment of Denver Union Station?*

Come listen to the answers that will be shared by RTD, the City and County of Denver and the developer, Union Station Neighborhood Company. First, Bill Sirois will give an update of FasTracks and the important role of Denver Union Station as the hub of the regional light rail system. He will also talk about the importance of Public/Private partnerships to the FasTracks program. Peter Park will share about the importance of Denver Union Station to the fabric of downtown and the support given to the project by the City and County of Denver. Frank Cannon will provide an overview of the Union Station Neighborhood Company, the Master Developer selection process and the status of the current plans including project timelines and financing structure.
