Don't miss the 15th Anniversary Rocky Mountain Real Estate Challenge—a real world, development competition between MBA student teams from the University of Colorado and University of Denver!

This year's featured project is TERMINAL AT 51st—a 20 acre site located in the Globeville Neighborhood of North Denver. Student teams will evaluate development opportunities to create a mixed-use development on the assemblage of parcels. The site will benefit from adjacent redevelopment such as the Asarco site to the north (Crossroads Commerce Park, Trammell Crow) and the National Western Center Redevelopment to the east. The Challenge site represents unique opportunities for development and place-making.

Join Land Title Guarantee Company and NAIOP Colorado on May 3rd as we cheer on the competing MBA Students from CU and DU as they present their plans for TERMINAL AT 51st in front of over 700 real estate professionals!
