SCHEDULE

- Select Construction Company: January 2010
  - Award First Bid Package: March 2010
- Actual Construction Begins: June 2010
- UPI Building Opens: March 2012
- Receive Building From Architects: December 2013
- Full Activation: May 2014
IMPACT

- $800M project budget
- Construction jobs to area
- Business revenue to Aurora
- Approximately 200 more VA employees
- 60-70K vets to be served
FUTURE

- PTSD Residential Rehabilitation Treatment Program
  - Not included in the scope of the main facility
  - Minor Construction Funds application to build a 23 bed unit on the north side of the campus submitted
  - Would include all treatment space and be fully self contained

- Homeless Domiciliary
  - POTENTIAL for designation as new home of a 40 bed homeless domiciliary
  - Treatment facility vs. a shelter facility
  - Space plans being initiated as preparation
  - Target opening date of Fall 2010
THANK YOU
